

## We Are The Answer To The Questions...

**To girl golfers:** Why don't you play more golf?

**The answer:** Because I don't have anyone to play with me.

**To the Parents:** Why is she not practicing more?

**The answer:** I don't feel comfortable dropping her off at the course alone, and I am too busy.

The **MGCC** will provide a safe, fun and affordable environment for girls to learn and enjoy playing golf. Activities will consist of weekly clinics and practice days, and we will offer bi-weekly play

days at Azalea City and Magnolia Grove Golf Courses. This club is designed to develop the skills required to be a good golfer, prepare them for high school golf and eventual college level play.

### NOTE TO PARENTS:

Be prepared to see an increased interest in pink balls, pink shirts, pink hats, pink tees, pink towels etc.

This is the opportunity to introduce your daughter to a lifelong sport with lifelong friends.

\* College Scholarship opportunities available upon request and are dependent upon commitment, attitude, and of course **PRACTICE!**

**Michael Brisbane** has been a member of the PGA since 1996. He has been a Director of Instruction for the past 10 years and currently is a member of the Azalea City GC staff. He has a very personalized style and has an eye for swing mechanics. Michael has made the complicated golf swing understandable and easier to learn. His combination of knowledge and teaching style, makes for a great learning environment.

**Shea Bowers** played golf at Murphy HS and played collegiately at Spring Hill College. She began taking lessons from "Bris" in the tenth grade and continues to the present day. After graduation from Spring Hill, Shea joined the Azalea City Golf Staff to pursue a career in the golf business. She has assisted Brisbane in several of his summer junior clinics. Your girls will love her.

**Shirley Walker** is a member of the Magnolia Grove Golf Staff. Brisbane began teaching Shirley when she attended a Nike Summer Junior Golf Camp. She was a member of the Theodore HS girls golf team. Brisbane continues to work with Shirley's game weekly. She is committed to becoming a LPGA/ PGA Professional. Shirley adds a great component to our team and will work great with the girls.
